

E.ON University Funding - Overview

University/Projects	Institute/Themes	EUR in millions ¹	Period
International Research Initiative (all MUs)	2007: Energy Storage 2008: Application of Nanotechnology in Energy Business	6	2007-2016
E.ON Energy Research Center – RWTH Aachen (GER)	<ul style="list-style-type: none"> • Power Generation and Storage Systems • Automation of Complex Power Systems • Applied Geophysics and Geothermal Energy • Rational Usage of Energy in Buildings • Future Energy Consumer Needs and Behavior 	4	2007-2016
Energy Technology Institute (UK)	Ocean Energy, Offshore	4	2007-2011
European School of Management and Technology (GER)	<ul style="list-style-type: none"> • Initial Capital² • Scholarship • Endowed chair for Corporate Responsibility 	0.827	2002-2013
Universität Bonn (GER)	Institut of Energy Business	0.8	2008-2012
Engineering and Physical Science Research Council (UK)	Research and Apprenticeship in Engineering and Physics	1.25	2007-2011
Chalmers University (SE)	Chair for Nuclear Power, Bio-energy, Grid integration and Systems analysis	1.5	2008–2017
Ruhr-Universität Bochum (GER)	Chair for Thermodynamics	1 ³	over some years
Loughborough University (UK)	Chair for Energy Technologies with low CO ₂ Emissions	0.1	2007-2011
University Kentucky (U.S.)	Research institute for Applied Energy Research	0.4	2006-2008
Technische Universität München (GER)	Chair for Nuclear Technology	0.5	2007-2011
Lund Universität (SE)	Chair for Bio-energy	1	2008-2011
Energy Research Partnership (UK)	Consolidation of Government; Industry and Universities	0.021	2007-2011
Total per Year		21.4	

¹ Contribution per year

² EUR7 millions single payment

³ EUR1 million distributed over some years
