E.ON AG Annual General Meeting on Thursday, May 3, 2007

Dear E.ON Shareholder,

The Annual General Meeting (AGM) of E.ON AG will be held on Thursday, May 3, 2007, at 10 a.m. at the Grugahalle, Essen, Germany.

The Managing Board of E.ON AG attaches great importance to the fact, that shareholders attend the AGM or arrange for their shares to be represented at the AGM. Therefore, we kindly ask you to exercise your shareholder rights. E.ON has retained D.F. King to assist in this process.

Within the next few days you will receive the *“Invitation to the 2007 Annual Shareholders’ Meeting”* with the included Summary of the 2006 Annual Report. In this respect, we kindly ask you to contact your depository bank for an admission card, which is necessary for the shares to be represented at the AGM. This should be done well in advance to meet the end-date, acc. to §123 clause 3 sentence 3 German Stock Corporation Law, Thursday, April 26, 2007.

As you are surely aware, with the amendment of the German Stock Corporation Act as of November 1, 2005, by the UMAG (Act concerning Corporate Integrity and the Modernization of the Right of Contestation), a record date principle has been introduced, which abolishes the former share blocking of shares registered for the AGM. The record date is Thursday, April 12, 2007.

According to this principle, participation in the general meeting and/or the exercise of voting rights is determined by the shareholding booked to the customer's securities account at the beginning of the 21st day before the general meeting. Subsequent changes in the shareholding after this date have no further relevance. All shares are freely tradable at all times.
